**ITEM NO. 3**

**TO APPOINT M/S. AAKANKSHA DUBEY & CO., PRACTICING COMPANY SECRETARIES AS SECRETARIAL AUDITORS FOR A TERM OF UPTO 5 (FIVE) CONSECUTIVE YEARS**

Pursuant to the amended provisions of Regulation 24A of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('SEBI LODR Regulations') vide SEBI Notification dated December 12, 2024 and provisions of Section 204 of the Companies Act, 2013 ('Act') and Rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, the Audit Committee and the Board of Directors at their respective meetings held on 26.05.2025 have approved and recommended the appointment of M/s. Aakanksha Dubey & Co, Peer Reviewed Firm of Company Secretaries in Practice (Firm Registration Number: S2025TS1021000) as Secretarial Auditors of the Company for a term of upto 5(Five) consecutive years to hold office from Financial Year 2025-26 to Financial Year 2029-30 and issue Secretarial Audit Report for Financial Years ending 31st March 2026, 31st March 2027, 31st March 2028, 31st March 2029 and 31st March 2030:

- a. **Term of appointment:** Upto 5 (Five) consecutive years from Financial Year 2025-26 to Financial Year 2029-30.
- b. **Proposed Fee:** Rs. 50,000/- p.a. (Rupees Fifty Thousand only), plus applicable taxes and other out-of-pocket costs incurred in connection with the audit for Financial Year ending March 31, 2026 and for subsequent year(s) of their term, such fee as determined by the Board, on recommendation of Audit Committee.

The proposed fee is based on knowledge, expertise, industry experience, time and efforts required to be put in by them, which is in line with the industry benchmark. The fees for services in the nature of certifications and other professional work will be in addition to the secretarial audit fee as above and will be determined by the Board in consultation with the Secretarial Auditors and as per the recommendations of the Audit Committee.

- c. **Basis of recommendations:** The recommendations are based on the fulfillment of the eligibility criteria & qualification prescribed under the Act & Rules made thereunder and SEBI LODR Regulations with regard to the secretarial audit, experience of the firm, capability, independent assessment, audit experience and also based on the evaluation of the quality of audit work done by them in the past.
- d. **Credentials:** M/s. Aakanksha Dubey & Co. (Firm Registration Number: S2025TS1021000) ('Secretarial Audit Firm'), established in the year 2025, is a newly registered firm with Ms. Aakanksha Sachin Dubey being the proprietor specialized in Secretarial Audit and other corporate law matters. The firm is registered with the Institute of Company Secretaries of India.

The Firm also holds a valid Peer Review Certificate.

M/s. Aakanksha Dubey & Co. have given their consent to act as Secretarial Auditors of the Company and confirmed that their aforesaid appointment (if made) would be within the

prescribed limits under the Act & Rules made thereunder and SEBI LODR Regulations. They have also confirmed that they are not disqualified to be appointed as Secretarial Auditors in terms of provisions of the Act & Rules made thereunder and SEBI LODR Regulations.

- e. **Any material changes in the fee payable to such auditor from that paid to the outgoing auditor along with the rationale for such change:** There is no material change in the fee payable to M/s. Aakanksha Dubey & Co., compared to that of the outgoing auditor.

None of the Directors, Key Managerial Personnel (KMP), or their relatives have any financial or other interest in the proposed resolution.

The Board recommends the Ordinary Resolution as set out in Item No. 3 of this Notice for approval of the Members.

The detailed instructions for participating in the 38th AGM through VC/OAVM are given as a separate attachment to this Notice.
7. Members may note that the VC/OAVM provided by KFinTech, allows participation of at least 2000 Members on a first-come-first-served basis. The large shareholders (i.e., shareholders holding 2% or more shareholding), promoters, institutional investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination & Remuneration Committee and Stakeholders Relationship Committee, Auditors, etc. can attend the AGM without any restriction on account of first-come-first-served principle.
8. Members attending the AGM through VC/OAVM shall be counted for the purpose of reckoning the quorum under Section 103 of the Act
9. As per Regulation 40 of SEBI Listing Regulations, as amended, securities of listed companies can be transferred only in dematerialized form with effect from, April 1, 2019, except in case of request received for transmission or transposition of securities. In view of this and to eliminate all risks associated with physical shares and for ease of portfolio management, members holding shares in physical form are requested to consider converting their holdings to

dematerialized form. Members can contact the Company or Company's Registrars and Transfer Agents, KFintech for assistance in this regard.

10. To support the 'Green Initiative', Members who have not yet registered their email addresses are requested to register the same with their DPs in case the shares are held by them in electronic form and with Company's Registrars and Transfer Agents, KFintech, in case the shares are held by them in physical form.
11. Members are requested to update and/or intimate changes, if any, pertaining to their name, postal address, email address, telephone/mobile numbers, Permanent Account Number (PAN), mandates, nominations, power of attorney, bank details such as, name of the bank and branch details, bank account number, MICR code, IFSC code, etc., to their DPs in case the shares are held by them in electronic form and to Company's Registrars and Transfer Agents, KFintech, in case the shares are held by them in physical form.
12. SEBI has directed listed Companies to use electronic payment modes such as NEFT, RTGS, ECS etc., for payments to the investors. Members are requested to update their bank details such as MICR, IFSC code etc., with the Registrar and Transfer Agents, KFintech by submitting a cancelled cheque, while Members holding shares in electronic form are requested to update such bank details with their respective Depository Participants.
13. Members who have multiple folios in identical names or joint names in the same order are requested to intimate the Registrar and Transfer Agents, KFintech about these folios to enable consolidation of all such shareholdings in to one folio.
14. The Securities and Exchange Board of India (SEBI) vide circular ref no. MRD/DOP/CIR-05/2007 dated April 27, 2007, made PAN the sole identification number for all participants transacting in the securities market, irrespective of the amount of transaction. In continuation of the aforesaid circular, it is hereby clarified that for securities market transactions and off market/private transactions involving transfer of shares of listed companies in physical form, it shall be mandatory for the transferee(s) to furnish copy of PAN card to the Company/Registrar and Share Transfer Agent for registration of such transfer of shares.
15. In case of joint holders, the Member whose name appears as the first holder in the order of names as per the Register of Members of the Company will be entitled to vote at the AGM.
16. The Register of Directors and Key Managerial Personnel and their shareholding maintained under Section 170 of the Act, the Register of Contracts or Arrangements in which the directors are interested, maintained under Section 189 of the Act, and the relevant documents referred to in the Notice will be available electronically for inspection by the members during the AGM. All documents referred to in the Notice will also be available electronically for inspection without any fee by the members from the date of circulation of this Notice upto the date of AGM. Members seeking to inspect such documents can send an email to [info@ortinlabsindia.com](mailto:info@ortinlabsindia.com)
17. Pursuant to Section 108 of the Companies Act, 2013, read with Rule 20 of the Companies (Management and Administration) Rules, 2014, as substituted by the Companies (Management and Administration) Rules, 2015 and Regulation 44 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Company is pleased to provide the facility to Members to exercise their right to vote on the resolution proposed to be passed at AGM by electronic means. The detailed instructions for e-voting are given as a separate attachment to this Notice. The Members, whose names appear in the Register of Members/List of Beneficial Owners as on close of

business hours of 23.09.2025, i.e. the date prior to the commencement of book closure, being the cut-off date, are entitled to vote on Resolutions set forth in this Notice. Members may cast their votes on electronic voting system from any place (remote e-voting).

The remote e-voting period will commence at 9.00 A.M. on 27.09.2025 and will end at 5.00 P.M. on 29.09.2025. Members who have cast their vote by remote e-voting prior to the 38th AGM may also participate in the AGM through VC/OAVM but shall not be entitled to cast their vote again. The Members joining the AGM through VC/OAVM, who have not cast their vote by remote e-voting shall be eligible to vote through e-voting system at the e-AGM.

18. The Company has appointed M/s. Vivek Surana & Associates, Practicing Company Secretaries, to act as the Scrutinizer, to scrutinize the entire e-voting process in a fair and transparent manner. The Scrutinizer shall not later than 48 hours of conclusion of the AGM, submit his report of the votes cast in favour or against, if any, to the Chairman of the Company or a person authorised by him in writing, and the result of the same will be disclosed forthwith. The Company has appointed M/s. Kfin Technologies Limited as the Agency for the purpose of facilitating the electronic voting.
19. In compliance with the above referred MCA Circulars and SEBI Circular No. SEBI/HO/CFD/CMD1/CIR/P/2020/79 dated May 12, 2020 and SEBI Circular No. SEBI/HO/CFD/CMD2/CIR/P/2021/11 dated January 15, 2021 and SEBI Circular No. SEBI/HO/CFD/CMD2/CIR/P/2022/62 dated May 13, 2022, Notice of the AGM along with the Annual Report 2024-25 is being sent only through electronic mode to those Members whose email addresses are registered with the Company/Depositories. Members may note that the Notice and Annual Report 2024-25 will also be available on the Company's website [www.ortinlabsindia.com](http://www.ortinlabsindia.com), websites of the Stock Exchanges i.e. BSE Limited and National Stock Exchange of India Limited at [www.bseindia.com](http://www.bseindia.com) and [www.nseindia.com](http://www.nseindia.com) respectively and on the website of Company's Registrar and Transfer Agent, KFintech at <https://evoting.kfintech.com/>
20. For receiving all communication (including Annual Report) from the Company electronically:
  - a. Members holding shares in physical mode and who have not registered/updated their email address with the Company are requested to register/update the same by writing to the Company with details of folio number and attaching a self-attested copy of PAN card at [info@ortinlabsindia.com](mailto:info@ortinlabsindia.com) or to KFintech at [einward.ris@kfintech.com](mailto:einward.ris@kfintech.com)
  - b. Members holding shares in dematerialized mode are requested to register/update their email addresses with the relevant Depository Participant.
21. Since the AGM will be held through VC/OAVM, the Route Map is not annexed in this Notice.
- 22. THE INSTRUCTIONS OF SHAREHOLDERS FOR REMOTE E-VOTING AND E- VOTING DURING AGM AND JOINING MEETING THROUGH VC/OAVM ARE AS UNDER:**
  - a. In compliance with the provisions of Section 108 of the Act, read with Rule 20 of the Companies (Management and Administration) Rules, 2014, as amended from time to time, Regulation 44 of the SEBI Listing Regulations and in terms of SEBI vide circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 in relation to e-Voting Facility provided by Listed Entities, the Members are provided with the facility to cast their vote electronically, through the e- Voting services provided by KFintech, on all the resolutions set forth in this Notice. The instructions for e-Voting are given herein below.

- b. However, in pursuant to SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on “e-Voting facility provided by Listed Companies”, e-Voting process has been enabled to all the individual demat account holders, by way of single login credential, through their demat accounts/websites of Depositories/DPs in order to increase the efficiency of the voting process.
- c. Individual demat account holders would be able to cast their vote without having to register again with the e-Voting service provider (ESP) thereby not only facilitating seamless authentication but also ease and convenience of participating in e-Voting process. Shareholders are advised to update their mobile number and e-mail ID with their DPs to access e-Voting facility.
- d. Any person holding shares in physical form and no individual shareholders, who acquires shares of the Company and becomes a Member of the Company after sending of the Notice and holding shares as of the cut-off date, may obtain the login ID and password by sending a request at [evoting@Kfintech.com](mailto:evoting@Kfintech.com). However, if he/she is already registered with KFintech for remote e-Voting then he/she can use his/her existing User ID and password for casting the vote.
- e. In case of Individual Shareholders holding securities in demat mode and who acquires shares of the Company and becomes a Member of the Company after sending of the Notice and holding shares as of the cut-off date may follow steps mentioned below under “Login method for remote e-Voting and joining virtual meeting for Individual shareholders holding securities in demat mode.”
- f. The details of the process and manner for remote e-Voting and e-AGM are explained herein below:
  - Step 1: Access to Depositories e-Voting system in case of individual shareholders holding shares in demat mode.
  - Step 2: Access to KFintech e-Voting system in case of shareholders holding shares in physical and non-individual shareholders in demat mode.
  - Step 3: Access to join virtual meetings (e-AGM) of the Company on KFintech system to participate in e-AGM and vote at the AGM.

**MANAGEMENT'S DISCUSSION & ANALYSIS REPORT****1. INDUSTRY STRUCTURE AND DEVELOPMENTS:**

Pharmaceutical industry is one of the world's fastest growing industries, and remains one of the biggest contributors to world economy. The Indian pharma industry is on a good growth path and is likely to be in the top 10 global markets in value term by 2021, according to the PwC – CII report titled "India Pharma Inc: Gearing up for the next level of growth".

High burden of disease, good economic growth leading to higher disposable incomes, improvements in healthcare infrastructure and improved healthcare financing are driving growth in the domestic market, the report highlighted.

The Indian pharma industry has been growing at a compounded annual growth rate (CAGR) of more than 15% over the last five years and has significant growth opportunities

**OPPORTUNITIES AND THREATS:**

Increasing number of global acquisitions have been made in the recent past by Indian companies for strategic objectives like market entry, technological or manufacturing expertise and distribution facilities. The global market continues to offer these opportunities for domestic companies looking to expand their international presence.

**SEGMENT-WISE OR PRODUCT-WISE PERFORMANCE:**

Financial Performance is discussed elsewhere in the Report.

**OUTLOOK:**

The outlook for emerging market economies is expected to broadly improve, though volatility in capital flow will remain a challenge.

The pharmacy sector in India is highly regulated, yet the sector suffers from circulation of substandard and counterfeit drugs which hampers the retail segment of the business. Measures are being taken by the pharmacy regulatory bodies of the country to control the menace as it hampers the revenue earning drastically. The government is also taking major initiatives to provide medicines at subsidized rates and distribution of medicines in the rural belt.

The pharmacy retail industry in India operates predominantly in the unorganized format and is currently having approximately 20 major players operating in organized format. However, most organized players are operative regionally and are far from having a pan India presence. A variety of value added services are being incorporated by the organized players to attract a larger market share and initiatives are being taken to engage customers in brand loyalty.

**RISKS AND CONCERNS:**

While the industry is seeing amazing growth, there is increasing focus on associated risks such as high compliance standards, government reform and pricing pressures, expiration of key drug patents, marketing practices, mergers and acquisitions, increasing litigations, and supply chain management.

Our risk management framework is intended to ensure that risks are identified in a timely manner. We have implemented an integrated risk management framework to identify, assess, prioritize, manage/mitigate, monitor and communicate the risk across the county.

Senior management personnel meet at regular intervals to identify various risks, assess, and prioritize the risks. After due deliberations, appropriate strategies are made for managing/mitigating the risks. The company takes the help of independent professional firms to review the risk management structure and implementation of risk management policies. Audit Committee on a quarterly basis, review the adequacy and effectiveness of the risk management strategies, implementation of risk management/mitigation policies, it advises the board on matters of significant concerns for Redressal.

**INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY:**

The Company maintains a system of well-established policies and procedures for internal control of operations and activities, and these are continually reviewed for effectiveness.

The internal control system is supported by qualified personnel and a continuous program of internal audit. The prime objective of such audits is to test the adequacy and effectiveness of all internal control systems laid down by the management and to suggest improvements. We believe that the company's overall system of internal control is adequate given the size and nature of operations and effective implementation of internal control self-assessment procedures and ensure compliance to policies, plans and statutory requirements.

The internal control system of the company is also reviewed by the Audit Committee periodically. The Management duly considers and takes appropriate action on the recommendations made by the statutory auditors, internal auditors and the independent Audit Committee.

**DISCUSSION ON FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE:**

Financial Performance is discussed elsewhere in the Report.

**INDEPENDENT AUDITOR'S REPORT****To the Members of ORTIN GLOBAL LIMITED (Formerly known as Ortin Laboratories Limited)**

Report on the Audit of the Financial Statements

**Opinion:**

We have audited the Financial Statements of ORTIN GLOBAL LIMITED (Formerly known as Ortin Laboratories Limited) which comprise the Balance Sheet as at 31st March 2025, the Statement of Profit and Loss, Statement of changes in Equity, Statement of Cash Flows for the year then ended, and Notes to the Financial Statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:

- a) In the case of the Balance Sheet, of the state of affairs of the Company as at March 31, 2025;
- b) In the case of the Statement of Profit and Loss Account, of the loss for the period ended on that date and
- c) In the case of the Statement of Cash Flow, of the cash flows, for the period ended on that date.

**Basis for Opinion:**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Standalone Financial Statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Key Audit Matters:**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Standalone Financial Statements of the current period. These matters were addressed in the context of our audit of the Standalone Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. There are no significant key audit matters observed by us except the matters reported in the notes of accounts.

**Emphasis of Matter:**

We draw attention to Note No. 40 of Notes forming part of Financial Statements regarding the net worth of the Company being eroded more than fifty percent and cash losses for the year under review. However, the Company has prepared its Financial Statements on Going Concern basis.

**Our report is not modified in respect of the above said matter.**

**Information Other than the Standalone Financial Statements and Auditor's Report Thereon:**

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Directors' Report and the Annexures thereto, but does not include the Financial Statements and our Auditor's Report thereon.

Our opinion on the financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed on the other information obtained prior to the date of this Auditor's Report, we conclude that there is a material misstatement of this other information, we are required to report the fact. We have nothing to report in this regard.

**Management's Responsibility for the Standalone Financial Statements:**

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Standalone Financial Statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

**Auditor's Responsibilities for the Audit of the Financial Statements:**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has internal financial controls system with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Standalone Financial Statements, including the disclosures, and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

**Report on Other Legal and Regulatory Requirements:**

- 1) As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of sub-section (11) of Section 143 and on the basis of such checks of the books and records of the company as we considered appropriate and according to the information and explanation given to us, we give "Annexure-A" a statement on the matters specified in the paragraphs 3 and 4 of the Order to the extent applicable to the company.
- 2) As required by Section 143(3) of the Act, we report that:
  - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books except for the matters stated in the paragraph 2(h)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014.
  - (c) The Balance Sheet, the Statement of Profit & Loss, the Statement of changes in equity, and the Statement of Cash Flow dealt with by this Report are in agreement with the books of account.
  - (d) In our opinion, the aforesaid financial statements comply with the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014, as amended.
  - (e) On the basis of the written representations received from the directors as on 31st March, 2025 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2025 from being appointed as a director in terms of Section 164 (2) of the Act.
  - (f) In our opinion and to the best of our information and according to the explanations given to us, we are of the opinion that the company has adequate internal financial controls system in place and the operating effectiveness of such controls. Refer to our separate report in "Annexure - B".
  - (g) The modifications relating to the maintenance of accounts and other matters connected therewith are as stated in the paragraph 2(b) above on reporting under Section 143(3)(b) of the Act and paragraph 2(h)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014.
  - (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
    - i. The Company does not have any pending litigations which would impact its financial position.
    - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
    - iii. There were no such amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
    - iv. (a) The management has represented that, to the best of its knowledge and belief, as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested either from borrowed funds or share premium or any other sources or kind of funds by the

Company to or in any other person or entity, including foreign entities (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

- (b) The management has represented that, to the best of its knowledge and belief, as disclosed in the notes to the accounts, no funds have been received by the Company from any person or entity, including foreign entities (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- (c) Based on such audit procedures that we considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.
- v. The Company has not declared or paid any dividend during the year hence compliance with provisions of Section 123 of the Companies Act 2013 does not arise.
- vi. Based on our examination, which include test checks, the Company has used accounting software for maintaining its books of account for the financial year ended March 31, 2025 but the same does not have a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. As the audit trail feature is not adopted in the first place, tampering it with or preserving it by the company as per the statutory requirements for record retention does not arise.
- 3) With respect to the other matters to be included in the Auditor’s Report in accordance with the requirements of section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its Directors during the year is in accordance with the provisions of Section 197 read with Schedule V to the Act.

**ANNEXURE - B TO THE INDEPENDENT AUDITOR'S REPORT****Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of ORTIN GLOBAL LIMITED (Formerly known as Ortin Laboratories Limited) ("the Company") as of 31st March 2025 in conjunction with our audit of the Financial Statements of the Company for the year ended on that date.

**Management's Responsibility for Internal Financial Controls:**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**Auditors' Responsibility:**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

**Meaning of Internal Financial Controls over Financial Reporting:**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A

company's internal financial control over financial reporting includes those policies and procedures that

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

#### **Inherent Limitations of Internal Financial Controls Over Financial Reporting:**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### **Opinion:**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2025, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

**NOTES FORMING PART OF THE FINANCIAL STATEMENTS****1. Description of the Company and Significant Accounting Policies****a. General Information**

Ortin Global Limited (formerly known as Ortin Laboratories Limited) (the company) is engaged in the manufacturing and trading of pharmaceuticals, Drugs and Intermediates, to manufacture, sell or export all types of medicines including ayurvedic, homeopathic, unani, biochemical, nature cure, etc and also to engage in real estate. The Company is a public limited company incorporated and domiciled in India and has its registered office at Banjara Hills, Hyderabad. The principal accounting policies applied in the preparation of the financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

The Company has changed its name from Ortin Laboratories Limited to Ortin Global Limited in the EOGM held on 11.04.2024 and the same has been approved by Registrar of Companies on 14.06.2024. The Company has also added additional main objects in the EOGM held on 11.04.2024.

**b. Basis of preparation and presentation of Financial Statements**

The financial statements of Ortin Global Limited (formerly known as Ortin Laboratories Limited) (the company) have been prepared and presented in accordance with the Indian Accounting Standards (“Ind AS”) notified under the Companies (Indian Accounting Standards) Rules, 2015 as amended and as per other relevant provisions of the Act. The presentation of financial statements is based upon Ind AS Schedule III of Companies Act, 2013. Except for the changes below, the Company has consistently applied accounting policies to all applicable periods.

**Ind AS 116, Leases**

Effective April 1, 2019, the Company has adopted Ind AS 116 “Leases” and applied to its Lease contracts existing on April 1, 2019, using the modified retrospective method and has taken the cumulative adjustment to retained earnings, on the date of initial application. The Company has evaluated the effect of this amendment on the financial statements and concluded that there is no significant impact.

**Amendment to Ind AS 12 ‘Income Taxes’**

The Ministry of Corporate Affairs has notified limited amendments to Ind AS 12 ‘Income Taxes’ with effect from April 1, 2019. The amendments require an entity to recognise the income tax consequences of dividends as defined in Ind AS 109 when it recognises a liability to pay a dividend. The income tax consequences of dividends are linked more directly to past transactions or events that generated distributable profits than to distributions to owners. Therefore, an entity shall recognize the income tax consequences of dividends in profit or loss, other comprehensive income or equity according to where the entity originally recognized those past transactions or events. Since Dividend Distribution Tax is not applicable with effective from April 1, 2020, this amendment will have no impact on the financial statements.

**Appendix C to Ind AS 12, Uncertainty over Income Tax Treatments:**

The Ministry of Corporate Affairs (“MCA”) has notified the Companies (Indian Accounting Standards) Amendment Rules, 2019 containing Appendix C to Ind AS 12, Uncertainty over

Income Tax Treatments which clarifies the application and measurement requirements in Ind AS 12 when there is uncertainty over income tax treatments. The current and deferred tax asset or liability shall be recognized and measured by applying the requirements in Ind AS 12 based on the taxable profit (tax loss), tax bases, unused tax losses, unused tax credits and tax rates determined by applying this appendix. The amendment is effective from April 1, 2019. The Company has evaluated the effect of this amendment on the financial statements and concluded that there is no significant impact.

### **Amendment to Ind AS 19 ‘Employee Benefits’**

The Ministry of Corporate Affairs has notified limited amendments to Ind AS 19 ‘Employee Benefits’ in connection with accounting for plan amendments, curtailments and settlements. The amendments require an entity to use updated assumptions to determine current service cost and net interest for the remainder of the period after a plan amendment, curtailment or settlement and to recognise in profit or loss as part of past service cost, or a gain or loss on settlement, any reduction in a surplus, even if that surplus was not previously recognized because of the impact of the asset ceiling. The amendment is effective from April 1, 2019 the Company has evaluated the effect of this amendment on the financial statements and concluded that this amendment is currently not applicable.

### **Basis of Measurement**

These financial statements have been prepared on the historical cost convention and on an accrual basis, except for the following material items in the balance sheet:

- Certain financial assets are measured either at fair value or at amortized cost depending on the classification;
- Employee defined benefit assets/(liability) are recognized as the net total of the fair value of plan assets, plus actuarial losses, less actuarial gains and the present value of the defined benefit obligation and All assets and liabilities are classified into current and non-current based on the operating cycle of less than twelve months or based on the criteria of realisation / settlement within twelve months period from the balance sheet date.

### **c. Use of estimates and judgments**

The preparation of financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. These estimates and associated assumptions are based on historical experiences and various other factors that are believed to be reasonable under the circumstances. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are and in any future periods affected. In particular, the areas involving critical estimates or Judgments are:

#### **i) Depreciation and amortization**

Depreciation and amortization is based on management estimates of the future useful lives of certain class of property, plant and equipment and intangible assets.

**ii) Employee Benefits**

The present value of the employee benefits obligations depends on a number of factors that are determined on an actuarial basis using a number of assumptions. The assumptions used in determining the net cost (income) includes the discount rate, wage escalation and employee attrition. The discount rate is based on the prevailing market yields of Indian Government securities as at the balance sheet date for the estimated term of the obligations.

**iii) Provision and contingencies**

Provisions and contingencies are based on the Management's best estimate of the liabilities based on the facts known at the balance sheet date.

**iv) Fair valuation**

Fair value is the market based measurement of observable market transaction or available market information. All financial instruments are measured at fair value as at the balance sheet date, as provided in Ind AS 109 and 113. Being a critical estimate, judgment is exercised to determine the carrying values. The fair value of financial instruments that are unlisted and not traded in an active market is determined at fair values assessed based on recent transactions entered into with third parties, based on valuation done by external appraisers etc.,

**d. Functional and presentation currency**

These financial statements are presented in Indian rupees, which is also the functional currency of the Company. All financial information presented in Indian rupees.

**e. Current and noncurrent classification**

All the assets and liabilities have been classified as current or noncurrent as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013 and Ind AS 1, Presentation of financial statements.

**Assets:** An asset is classified as current when it satisfies any of the following criteria:

- i. It is expected to be realized in, or is intended for sale or consumption in, the Company's normal operating cycle;
- ii. It is held primarily for the purpose of being traded;
- iii. It is expected to be realized within twelve months after the reporting date; or
- iv. It is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least twelve months after the reporting date.

**Liabilities:** A liability is classified as current when it satisfies any of the following criteria:

- i. It is expected to be settled in the Company's normal operating cycle;
- ii. It is held primarily for the purpose of being traded;
- iii. It is due to be settled within twelve months after the reporting date; or
- iv. The Company does not have an unconditional right to defer settlement of the liability for at least twelve months after the reporting date. Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

Current assets/ liabilities include the current portion of noncurrent assets/ liabilities respectively. All other assets/ liabilities are classified as noncurrent. Deferred tax assets and liabilities are always disclosed as non-current.

**f. Foreign Currency Transaction**

Transactions in foreign currencies are translated to the respective functional currencies of entities within the Company at exchange rates at the dates of the transactions. Monetary assets and liabilities denominated in foreign currencies at the reporting date are translated into the functional currency at the exchange rate at that date. Exchange differences arising on the settlement of monetary items or on translating monetary items at rates different from those at which they were translated on initial recognition during the period or in previous financial statements are recognized in the statement of profit and loss in the period in which they arise. Non-monetary assets and liabilities denominated in a foreign currency and measured at historical cost are translated at the exchange rate prevalent at the date of transaction, if any.

**2. Significant Accounting Policies**

**1) Property Plant & Equipment**

Recognition and measurement

Property, Plant and Equipment are stated at cost of acquisition or construction less accumulated depreciation and impairment loss, if any. Cost includes expenditures that are directly attributable to the acquisition of the asset i.e., freight, duties and taxes applicable and other expenses related to acquisition and installation. The cost of self-constructed assets includes the cost of materials and other costs directly attributable to bringing the asset to a working condition for its intended use. Borrowing costs that are directly attributable to the construction or production of a qualifying asset are capitalized as part of the cost of that asset.

**Directly attributable costs include:**

- a. Cost of Employee Benefits arising directly from Construction or acquisition of PPE.
- b. Cost of Site Preparation.
- c. Initial Delivery & Handling costs.
- d. Professional Fees and
- e. Costs of testing whether the asset is functioning properly, after deducting the net proceeds from selling any items produced while bringing the asset to that location and condition (such as samples produced when testing equipment).

When parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment.

Gains and losses upon disposal of an item of property, plant and equipment are determined by comparing the proceeds from disposal with the carrying amount of property, plant and equipment and are recognized net within the statement of profit and loss.

The cost of replacing part of an item of property, plant and equipment is recognized in the carrying amount of the item if it is probable that the future economic benefits embodied within the part will flow to the Company and its cost can be measured reliably. The costs of repairs and maintenance are recognized in the statement of profit and loss as incurred.

Items of property, plant and equipment acquired through exchange of non-monetary assets are measured at fair value, unless the exchange transaction lacks commercial substance or the fair value of either the asset received or asset given up is not reliably measurable, in which case the asset exchanged is recorded at the carrying amount of the asset given up.

- f. Costs of testing whether the asset is functioning properly, after deducting the net proceeds from selling any items produced while bringing the asset to that location and condition (such as samples produced when testing equipment).

When parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment.

Gains and losses upon disposal of an item of property, plant and equipment are determined by comparing the proceeds from disposal with the carrying amount of property, plant and equipment and are recognized net within in the statement of profit and loss.

The cost of replacing part of an item of property, plant and equipment is recognized in the carrying amount of the item if it is probable that the future economic benefits embodied within the part will flow to the Company and its cost can be measured reliably. The costs of repairs and maintenance are recognized in the statement of profit and loss as incurred.

Items of property, plant and equipment acquired through exchange of non-monetary assets are measured at fair value, unless the exchange transaction lacks commercial substance or the fair value of either the asset received or asset given up is not reliably measurable, in which case the asset exchanged is recorded at the carrying amount of the asset given up.

### Depreciation

Depreciation is recognized in the statement of profit and loss on a straight line basis over the estimated useful lives of property, plant and equipment based on Schedule II to the Companies Act, 2013 (“Schedule”), which prescribes the useful lives for various classes of tangible assets. For assets acquired or disposed of during the year, depreciation is provided on prorated basis. Land is not depreciated. Depreciation methods, useful lives and residual values are reviewed at each reporting date and adjusted prospectively, if appropriate.

### The estimated useful lives are as follows:

Type of Asset	Estimated useful life in years
Buildings	
i) Main Plant Building	30
ii) Other Building	60
Plant & Machinery	30
Lab Equipment 7.5	25
Material Handling	7.5
Fire fighting	7.5
Vehicles	8
Computers	3
Office Equipment	5
Furniture & Fixtures	10

Advances paid towards the acquisition of property, plant and equipment outstanding at each reporting date is disclosed as capital advances under other noncurrent assets. The cost of property, plant and equipment not ready to use before such date are disclosed under capital work-in-progress. Assets not ready for use are not depreciated.

The Company assesses at each balance sheet date, whether there is objective evidence that an asset or a group of assets is impaired. An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount. Recoverable amount is higher of the value in use or fair value less cost to sell.

## **2) Financial Instruments**

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

### **Financial assets**

#### **Initial recognition and measurement**

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

#### **Subsequent measurement**

##### **Debt instrument at FVTPL**

Debt instruments included within the FVTPL category are measured at fair value with all changes recognised in the statement of profit and loss. The Company has not designated any debt instrument as at FVTPL.

##### **Investment in Preference Shares and Unquoted trade Investments**

Investment in Preference Shares and Unquoted trade Investments are measured at amortized cost using Effective Rate of Return (EIR).

##### **Investment in equity instruments**

All equity investments in scope of Ind AS 109 are measured at fair value. Equity instruments which are held for trading and contingent consideration recognised by an acquirer in a business combination to which Ind AS103 applies are classified as at FVTPL. For all other equity instruments, the Company may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The Company makes such election on an instrument by-instrument basis. The classification is made on initial recognition and is irrevocable. If the Company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognised in the OCI. There is no recycling of the amounts from OCI to the statement of profit and loss, even on sale of investment. However, the Company may transfer the cumulative gain or loss within equity. Equity instruments i.e., investments in equity shares within the FVTPL category are measured at fair value with all changes recognised in the statement of profit and loss.

**Derecognition**

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised (i.e., removed from the Company's balance sheet) when:

- The rights to receive cash flows from the asset have expired, or
- The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognise the transferred asset to the extent of the Company's continuing involvement. In that case, the Company also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

**Impairment of trade receivables**

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 18. Expected credit loss model takes into consideration the present value of all the cash shortfalls over the expected life of a financial instrument. In simple terms, it is weighted average of credit losses with the respective risks of default occurring as weights. The credit loss is the difference between all contractual cash flows that are due to an entity as per the contract and all the contractual cash flows that the entity expects to receive, discounted to the effective interest rate. The Standard presumes that entities would suffer credit loss even if the entity expects to be paid in full but later than when contractually due. In other words, it simply focuses on DELAYS in collection of receivables. For the purpose of identifying the days of delay, the Company took into consideration the weighted average number of delays taking into consideration the date of billing, the credit period and the collection days.

**Financial liabilities****Initial recognition and measurement**

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, payables, or as derivatives designated as hedging instruments in an effective hedge, as appropriate. All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs. The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts, financial guarantee contracts.

**Subsequent measurement**

The measurement of financial liabilities depends on their classification, as described below:

**Loans and borrowings**

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in the statement of profit and loss when the liabilities are derecognised as well as through the EIR amortisation process. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss.

**Fair value measurement**

The Company classifies the fair value of its financial instruments in the following hierarchy, based on the inputs used in their valuation:

- i) Level 1: The fair value of financial instruments quoted in active markets is based on their quoted closing price at the balance sheet date.
- ii) Level 2: The fair value of financial instruments that are not traded in an active market is determined by using valuation techniques using observable market data. Such valuation techniques include discounted cash flows, standard valuation models based on market parameters for interest rates, yield curves or foreign exchange rates, dealer quotes for similar instruments and use of comparable arm's length transactions.
- iii) Level 3: The fair value of financial instruments that are measured on the basis of entity specific valuations using inputs that are not based on observable market data (unobservable inputs).

**Derivative financial instruments and hedging activities**

A derivative is a financial instrument which changes value in response to changes in an underlying asset and is settled at future date. Derivatives are recognised at fair value at the end of reporting period and are subsequently re-measured at their fair value at each reporting period. The method of recognising the resulting gain or loss depends on whether the derivative is designated as a hedging instrument, and if so, the nature of the item being hedged. The Company designates certain derivatives as either:

- a. hedges of the fair value of recognised assets or liabilities (fair value hedge); or
- b. hedges of a particular risk associated with a firm commitment or a highly probable forecasted transaction (cash flow hedge);

The Company documents at the inception of the transaction the relationship between hedging instruments and hedged items, as well as its risk management objectives and strategy for undertaking various hedging transactions. The Company also documents its assessment, both at hedge inception and on an on-going basis, of whether the derivatives that are used in hedging transactions are effective in offsetting changes in cash flows of hedged items. Movements in the hedging reserve are accounted in other comprehensive income and are shown within the statement of changes in equity. The full fair value of a hedging derivative is classified as a non-current asset or liability when the remaining maturity of hedged item is more than 12 months and as a current asset or liability when the remaining maturity of the hedged item is less than 12 months. Trading derivatives are classified as a current asset or liability.

**(a) Fair value hedge**

Changes in the fair value of derivatives that are designated and qualify as fair value hedges are recorded in the Statement of Profit and Loss, together with any changes in the fair value of the hedged asset or liability that are attributable to the hedged risk.

**(b) Cash flow hedge**

The effective portion of changes in the fair value of derivatives that are designated and qualify as cash flow hedges is recognised in other comprehensive income. The ineffective portion of changes in the fair value of the derivative is recognised in the statement of profit and loss. Gains or losses accumulated in equity are reclassified to the statement of profit and loss in the periods when the hedged item affects the statement of profit and loss.

When a hedging instrument expires or swapped or unwound, or when a hedge no longer meets the criteria for hedge accounting, any accumulated gain or loss existing in statement of changes in equity is recognised in the Statement of Profit and Loss. When a forecasted transaction is no longer expected to occur, the cumulative gains/losses that were reported in equity are immediately transferred to the statement of profit and loss.

**Fair value measurement**

Fair value of financial assets and liabilities is normally determined by references to the transaction price or market price. If the fair value is not reliably determinable, the Company determines the fair value using valuation techniques that are appropriate in the circumstances and for which sufficient data are available, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

**3) Inventories**

Inventories consist of raw materials, work-in-progress and finished goods and are measured at the lower of cost and net realisable value. The cost of all categories of inventories is based on the weighted average method. Cost includes expenditures incurred in acquiring the inventories, production or conversion costs and other costs incurred in bringing them to their existing location and condition. In the case of finished goods and work-in-progress, cost includes an appropriate share of overheads based on normal operating capacity. Stores and spares, that do not qualify to be recognised as property, plant and equipment, consists of packing materials, engineering spares (such as machinery spare parts) and consumables which are used in operating machines or consumed as indirect materials in the manufacturing process. Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and selling expenses.

**4) Impairment of non-financial assets**

The carrying amounts of the Company's non-financial assets, other than inventories and deferred tax assets are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated. For goodwill and intangible assets that have indefinite lives or that are not yet available for use, an impairment test is performed each year at March 31. The recoverable amount of an asset or cash-generating unit (as defined below) is the greater of its value in use and its fair value less costs to sell. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset or the cash-

generating unit. For the purpose of impairment testing, assets are grouped together into the smallest group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows of other assets or groups of assets (the “cash-generating unit”).

An impairment loss is recognized in the statement of profit and loss if the estimated recoverable amount of an asset or its cash-generating unit is lower than its carrying amount. Impairment losses recognized in respect of cash-generating units are allocated first to reduce the carrying amount of any goodwill allocated to the units and then to reduce the carrying amount of the other assets in the unit on a pro-rata basis. An impairment loss in respect of goodwill is not reversed. In respect of other assets, impairment losses recognized in prior periods are assessed at each reporting date for any indications that the loss has decreased or no longer exists. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. An impairment loss is reversed only to the extent that the asset’s carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortization, if no impairment loss had been recognized.

## 5) Cash & Cash Equivalents

Cash and bank balances comprise of cash balance in hand, in current accounts with banks, demand deposit, short-term deposits, Margin Money deposits and unclaimed dividend accounts. For this purpose, “short-term” means investments having maturity of three months or less from the date of investment.

## 6) Employee Benefits

Short term employee benefits

Short-term employee benefits are expensed as the related service is provided. A liability is recognised for the amount expected to be paid if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

### Defined Contribution Plan

The Company’s contributions to defined contribution plans are charged to the statement of profit and loss as and when the services are received from the employees.

### Defined Benefit Plans

The liability in respect of defined benefit plans and other post-employment benefits is calculated using the projected unit credit method consistent with the advice of qualified actuaries. The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows using interest rates based on prevailing market yields of Indian Government Bonds and that have terms to maturity approximating to the terms of the related defined benefit obligation. The current service cost of the defined benefit plan, recognised in the statement of profit and loss in employee benefit expense, reflects the increase in the defined benefit obligation resulting from employee service in the current year, benefit changes, curtailments and settlements. Past service costs are recognised immediately in income. The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss. Actuarial gains and losses arising from experience adjustments and changes in actuarial assumptions are charged or credited to equity in other comprehensive income in the period in which they arise.

**Termination benefits**

Termination benefits are recognized as an expense when the Company is demonstrably committed, without realistic possibility of withdrawal, to a formal detailed plan to either terminate employment before the normal retirement date, or to provide termination benefits as a result of an offer made to encourage voluntary redundancy. Termination benefits for voluntary redundancies are recognized as an expense if the Company has made an offer encouraging voluntary redundancy, it is probable that the offer will be accepted, and the number of acceptances can be estimated reliably.

**Other long-term employee benefits**

The Company's net obligation in respect of other long term employee benefits is the amount of future benefit that employees have earned in return for their service in the current and previous periods. That benefit is discounted to determine its present value. Re-measurements are recognized in the statement of profit and loss in the period in which they arise.

**7) Provisions, contingent liabilities and contingent assets****Provisions**

A provision is recognised if, as a result of a past event, the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. Where discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

**Contingent liabilities**

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

**Contingent assets**

Contingent assets are not recognised in the financial statements. However, contingent assets are assessed continually and if it is virtually certain that an inflow of economic benefits will arise, the asset and related income are recognised in the period in which the change occurs.

**8) Revenue Recognition****Sale of goods and trade license**

Revenue is recognized, when the company substantially satisfies its performance obligation while transferring a promised good or service to its customers. The company considers the terms of the contract and its customary business practices to determine the transaction price. Performance obligations are satisfied at the point of time when the customer obtains controls of the asset. Revenue is measured based on transaction price, which is the fair value of the consideration received or receivable, stated net of discounts, returns and value added tax. Transaction price is recognised based on the price specified in the contract, net of the estimated sales incentives/ discounts. Accumulated experience is used to estimate and provide for the discounts/ right of return, using the expected value method.

**Other Income****Interest Income**

Interest Income mainly comprises of interest on Margin money deposit with banks relating to bank guarantee. Interest income should be recorded using the effective interest rate (EIR). However, the amount of margin money deposits relating to bank guarantee are purely current in nature, hence effective interest rate has not been applied. Interest is recognized using the time-proportion method, based on rates implicit in the transactions.

**9) Borrowing Costs**

Borrowing costs consist of interest, ancillary and other costs that the Company incurs in connection with the borrowing of funds and interest relating to other financial liabilities. Borrowing costs also include exchange differences to the extent regarded as an adjustment to the borrowing costs. Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur.

**10) Tax Expenses**

**Tax expense consists of current and deferred tax.**

**Income Tax**

Income tax expense is recognized in the statement of profit and loss except to the extent that it relates to items recognized directly in equity, in which case it is recognized in equity. Current tax is the expected tax payable on the taxable income for the year, using tax rates enacted or substantively enacted at the reporting date, and any adjustment to tax payable in respect of previous years.

**Deferred Tax**

Deferred tax is recognised using the balance sheet method, providing for temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes. Deferred tax is measured at the tax rates that are expected to be applied to the temporary differences when they reverse, based on the laws that have been enacted or substantively enacted by the reporting date. Deferred tax assets and liabilities are offset if there is a legally enforceable right to offset current tax liabilities and assets, and they relate to income taxes levied by the same tax authority on the same taxable entity, or on different tax entities, but they intend to settle current tax liabilities and assets on a net basis or their tax assets and liabilities will be realised simultaneously. A deferred tax asset is recognized to the extent that it is probable that future taxable profits will be available against which the temporary difference can be utilized. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized.

**Dividend distribution tax**

**Tax on Dividends declared by the Company are recognised as an appropriation of Profit.**

**Dividend Distribution Tax is not applicable from April 1, 2020.**

**11) Earnings Per Share**

The Company presents basic and diluted earnings per share (“EPS”) data for its ordinary shares. Basic earnings per share are computed by dividing the net profit after tax by the weighted average number of equity shares outstanding during the period. Diluted earnings per share is computed by dividing the profit after tax by the weighted average number of equity shares considered for deriving basic earnings per share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares.

**12) Trade receivables**

Trade receivables are initially recognized at fair value and subsequently measured at amortized cost using effective interest method, less provision for impairment.

**13) Trade and other payables**

These amounts represent liabilities for goods and services provided to the Company prior to the end of the financial year which are unpaid. The amounts are unsecured and are presented as current liabilities unless payment is not due within twelve months after the reporting period. They are recognized initially at fair value and subsequently measured at amortized cost using the effective interest method.

**Determination of fair values**

The Company’s accounting policies and disclosures require the determination of fair value, for certain financial and non-financial assets and liabilities. Fair values have been determined for measurement and/or disclosure purposes based on the following methods. When applicable, further information about the assumptions made in determining fair values is disclosed in the notes specific to that asset or liability. A fair value measurement of a non-financial asset takes into account a market participant’s ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

**(i) Property, plant and equipment**

Property, plant and equipment, if acquired in a business combination or through an exchange of non-monetary assets, is measured at fair value on the acquisition date. For this purpose, fair value is based on appraised market values and replacement cost.

**(ii) Intangible assets**

The fair value of brands, technology related intangibles, and patents and trademarks acquired in a business combination is based on the discounted estimated royalty payments that have been avoided as a result of these brands, technology related intangibles, patents or trademarks being owned (the “relief of royalty method”). The fair value of customer related, product related and other intangibles acquired in a business combination has been determined using the multi-period excess earnings method after deduction of a fair return on other assets that are part of creating the related cash flows.

**(iii) Inventories**

The fair value of inventories acquired in a business combination is determined based on its estimated selling price in the ordinary course of business less the estimated costs of

completion and sale, and a reasonable profit margin based on the effort required to complete and sell the inventories.

**(iv) Investments in equity and debt securities and units of mutual funds**

The fair value of marketable equity and debt securities is determined by reference to their quoted market price at the reporting date. For debt securities where quoted market prices are not available, fair value is determined using pricing techniques such as discounted cash flow analysis. In respect of investments in mutual funds, the fair values represent net asset value as stated by the issuers of these mutual fund units in the published statements. Net asset values represent the price at which the issuer will issue further units in the mutual fund and the price at which issuers will redeem such units from the investors. Accordingly, such net asset values are analogous to fair market value with respect to these investments, as transactions of these mutual funds are carried out at such prices between investors and the issuers of these units of mutual funds.

**(v) Derivatives**

The fair value of foreign exchange forward contracts is estimated by discounting the difference between the contractual forward price and the current forward price for the residual maturity of the contract using a risk-free interest rate (based on government bonds). The fair value of foreign currency option and swap contracts and interest rate swap contracts is determined based on the appropriate valuation techniques, considering the terms of the contract.

**(vi) Non-derivative financial liabilities**

Fair value, which is determined for disclosure purposes, is calculated based on the present value of future principal and interest cash flows, discounted at the market rate of interest at the reporting date. For finance leases the market rate of interest is determined by reference to similar lease agreements. In respect of the Company's borrowings that have floating rates of interest, their fair value approximates carrying value.

34. In the opinion of the Board the Current assets, Loans and advances are approximately of the value stated if realized in the ordinary course of the business. The provision for depreciation and all known liabilities are adequate and not in excess of the amount considered reasonably necessary.
35. The Company is yet to file Satisfaction of Charges to an extent of Rs. 57.20 Lakhs.
36. Confirmation of balances has not been received from any of the Creditors, Debtors and for Loans & Advances, which are subject to reconciliation. Provision for doubtful debts, if any, in respect of the above and the consequential adjustment, if any, whether of revenue nature or otherwise, will be dealt accordingly.
- 37. ADDITIONAL INFORMATION PURSUANT TO PARAGRAPHS 3 & 4 OF PART II OF SCHEDULE III TO THE COMPANIES ACT 2013, (AS CERTIFIED BY A DIRECTOR): NIL.**

**38. DISCLOSURE UNDER MICRO, SMALL AND MEDIUM ENTERPRISES DEVELOPMENT ACT, 2006:**

As regards to the compliance of provisions relating to the dues to Micro, Small and Medium Enterprises in terms of Section 22 of the Micro, Small and Medium Enterprises Development Act, 2006, the Company has sent letters to the Creditors to confirm whether they are Micro, Small and Medium Enterprises. The Company is yet to receive the confirmations from them. Hence, the Company could not quantify the dues, if any to the Micro, Small and Medium Enterprises.

**39. SHARE CAPITAL:**

The paid up capital of the company as on 31st March 2025 is Rs. 8,13,13,920/- divided into 81,31,392 equity share of Rs. 10/- each.

40. Despite the net worth of the Company being eroded more than fifty percent and cash losses for the year under review the accounts were prepared under going concern basis.
41. The cash balance as on 31.03.2025 amounts to Rs. 26.43 Lakhs which given the nature of the business of the company is relatively on higher side. Since we could not undertake physical verification of cash on 31.03.2025, we have relied upon the certificate issued by the management in this regard.
42. The Company has used accounting software for maintaining its books of account for the financial year ended March 31, 2025 but the same does not have a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the software. As the audit trail feature is not adopted in the first place, tampering it with or preserving it by the company as per the statutory requirements for record retention does not arise.
43. All the amounts are rounded off to the nearest lakhs.
44. Previous year figures have been regrouped and restructured wherever necessary.

As per our report of even date annexed.
